

ALLIANCE ENVIRONMENTAL & COMPLIANCE, INC.

October 13, 2022

To: Riverside County Sheriff-Coroner/Public Administrator
800 South Redlands Ave
Perris, CA 92570

RE: 905 Hogan Ave, Banning CA 92220

To Whom it May Concern

Per the request of the Riverside County Sheriff-Coroner/Public Administrators office AECI entered the property at 905 Hogan Ave, Banning CA 92220, and performed fungal mitigation services within specific area's as outlined by the client. Within the areas mitigated all visible impacted material was removed. In addition, all exposed wall framing as result of the mitigation was treated with an EPA approved biocide.

The mitigation services occurred both within the interior and garage area of the residence.

No Prelim or Post sampling was requested as the area's of mitigation were limited in size, and volume within the interior of the residence.

Currently all visible fungal activity has been completed and no additional areas of activity was present within the residence.

If you should have any questions pertaining to this project please contact us at 951.965.7000.

Thank You.
